E-Mail Address:

Please draw with a black pencil or felt pen on the predefined frame. This is so your drawing can be correctly defined and engraved on the CHEOPS-plate. The topic of your drawing must be related to space and/or the space telescope CHEOPS. Should we get more than 3000 drawings, we will choose randomly which ones will get onto the plate. Some drawings may be published in relation to the CHEOPS mission, and in this case, the first name and the first letter of the surname of the child will be indicated. The personal data of the child will not be communicated to any third party. By giving the drawing at a CHEOPS action stand or by sending it to us, the parents agree with these conditions. Sending address: University of Bern, CSH, Sidlerstr. 5, CH-3012 Bern.
